Advanced Camp at Crescent is all about relaxing, learning, and riding. Our Advanced Camp program combines stable skills, equine know-how and your equitation goals to create a week of fun and horses!

This program has been developed for students capable of cantering in lessons and is suitable for students 10 - 15 years of age.

EQUITATION ESSENTIALS

"Fun, fun fun" These sessions are meant to supplement your regular program, and so are very different from regular lessons. They include working on position corrections, correct and efficient transitions, lunging each other, vintage Pony Club Games, the Lunge Whip-Dixie Cup Challenge, and a ride on the beach.

EQUINE KNOW-HOW

"Help" This is the session to get you ready for a problem! Be the "GO TO GIRL" in the barn! Learn what should be in an Equine First Aid kit and how to use it correctly and safely.

"What is he Saying?" This session will help you figure out what your horse is talking about. We will be working on understanding horse behaviour and what our body language is saying to the horse during lunging.

HIT THE ROAD

"Whoa There" A special riding session featuring emergency stops and other tips and tricks for riding outside the ring.

"What to Pack" How to prepare you and your horse for an outing. Preparing your equipment, what to pack, and trail safety.
